Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. The totals listed on Lines 21(b), 21(c), and 23, Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.
2. Schedule H2 of your report discloses an activity which is listed as 100% non-federal. A committee is permitted to pay the entire amount of an allocable activity from its federal account and receive a transfer(s) from its non-federal account solely to cover the non-federal share of the allocable expense(s). 11 CFR §§106.6(e) and 106.7(f) However, a 100% non-federal activity/event does not fall within the definitions of an allocable expense. Any transfer from a non-federal account to pay for such an activity would constitute an impermissible transfer of funds received by your federal account from your non-federal account.
3. Schedule H4 discloses 100% non-federal activity. Please be advised that by definition, this activity does not qualify as an expense(s) that can be allocated between your federal and non-federal accounts. If the disbursements were for operating expenditures paid for with 100% federal

funds, they should be itemized on Schedule B for Line 21(b) of the Detailed Summary Page. If these expenses were permissibly paid for with 100% non-federal funds, they should not be disclosed on Schedule H4. Further, any reimbursement from your committee's non-federal account for any portion of this activity is not permissible and must be returned. 11 CFR §102.5(a)(1)(i) Please amend your report to clarify this discrepancy.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1398.

Sincerely,
